# Why attend one of our DIR Courses

**DIR Floortime is becoming a very popular and sought after treatment approach in South Africa**

## Local lecturers

Our South African based lecturing team are passionate, highly qualified and have experience integrating this model into our cultural context and education system

## Introductory training

This course gives you a thorough overview of the model and provides you with tools to implement into your practices. This lays the important first step to further training, helping you decide if this model is a fit for you before embarking on further study.

## Discounts on Further Training

Spotlight Trust is affiliated with Profectum Academy in the USA that provides certification in the DIR model. As a result Profectum offers discounts to Spotlight Members. Completing the Introductory course is a recommended preparation for the certification course.

## CPD points for Certification

As Profectum is an USA based academy getting CPD accreditation in South Africa is an expensive and difficult process but one that Spotlight has undergone on our attendees behalf. We are able to offer our course attendees 30 CPD points (including 1 ethics point) for the year you complete your certification at a minimal cost

## Community outreach

The over reaching goal of Spotlight Trust is to provide training and support to our local communities. Your support will help us reach this goal.

## Therapist support

The Spotlight team offer support and mentoring to help you make the most of this model in your therapy interventions.
